

1cm test square

Thank you for downloading this pattern!

Make sure to set your printer to print 'actual size' and check the scale is correct using the test square on the right. Cut along the pink dotted lines and stick together, then grab a cuppa and let's get sewing!

*Please note this is for personal use and may not be reproduced for sale. If you would like to make this bag to sell or to use it in a workshop, please contact me first.*
